

THE UNITED STATES OF AMERICA AND GREAT BRITAIN: ENIGMA'S OF THE WORLD?

by Bill Watson, CGI Minister

Why are these cultures so misunderstood? Some would say there so hedonistic, and violently licentious, yet they are charitable, benevolent, blessed and extremely affluent; how can this be? Why is it that “reaping what you sow” doesn’t seem to apply to these countries? Is there a missing piece of the puzzle needing more serious consideration? Is there more to these cultures than meets the eye? Perhaps a different perspective is required?

Many of us today are very aware of the fact that the world is engaged in a “war on terrorism.” This is not just an American and/or British or Jewish war. Terrorism has “touched down” on Middle Eastern nations too, like Saudi Arabia, who itself, is known for harboring terrorists. Some political pundits have gone as far as describing this growing confrontation as World War 3.

Though that description may be somewhat exaggerated, make no mistake, things have changed. Domestic air travel is viewed differently. Business investment, as well as personal investing, is approached with a far greater degree of prudence. Considerations on where to vacation, or go to school, or expand one’s business interest is handled with increased due diligence.

So, I think many of us would agree the “War on Terrorism” has affected our way of life. And, it has finally infected the world on a global scale. There is no nation free from the concerns of this worldwide scourge of “cat and mouse,” called terrorism.

But, how many of us are aware of another type of war that is raging all around us: a war that is also intent on changing the face, and eroding the very foundations that underscore our western society? Yes, this war is very subtle. Its method’s are extremely crafty, and often blatantly seductive. There are a variety of techniques, from exploitation, to very indirect innuendo, but all are used in the “debate of ideas” to persuade you to accept the changes advanced.

There is an assortment of venues that are used which include our legislators, the lobbying of private interest groups, and of course the sound stages and production companies of the entertainment, and media communities. All converging on one objective, and one objective alone: to change the standards and values of what was once a Judeo-Christian based culture.

There are many books out today, that outline many of the “signs of the times,” announcing the “Death of the West.” As a matter of fact, Pat Buchanan has written a book, recently, by that same title, describing some of this “hand writing on the wall.” (I highly recommend it) It’s no secret, if the current trends persist, much of the west, especially the United States of America, will be reduced to third world status. There are

many pressure's that are encroaching on what was once considered the status quo, and so instrumental in maintaining the freedoms and liberties of this one remaining, once morally stable, super-power. However, this should be no surprise to many of us as we begin to view the course of what appears to be the "beginning of the end."

In Jeremiah, chapter 30, the prophet writes about some very interesting prophetic events concerning the cultures of **two** specific geopolitical nations "in the latter days" (:24), connected in heritage to the God of your Bible, as *Judah* and *Israel*. Jeremiah assures us that God will not completely obliterate and wipeout these **two** end time countries, identified as *Israel* and *Judah*, from the families of "latter day nations." On the contrary, He has reserved that for the nations He use's to correct and punish these cultures of His.

CONFLICTS WITH GOD

But, He is clear on the fact that though He will ultimately preserve and save both *Israel*, and *Judah*, this assurance is secured for a period of time yet in the future, when David will be resurrected, at the beginning of the millennium. (Jer. 30:7-10) However, in the meantime, prior to the commencement of the millennium, and David's resurrection, correction," **in measure**" and punishment, will occur (:11) **if** trends continue which God considers sinful and lawless. So, if these cultures, that carry the names of *Israel* and *Judah*, continue to behave in such a way and match God's definitions of sin, they will most assuredly reap this correction, and punishment He has reserved for those He holds responsible for knowing better.

The United States and British Commonwealth Nations, along with our Jewish counterparts, know a whole lot better than what they have lived up to both, in hegemony, and socially. Their history and present geopolitical profile **connects them** with the *identities* of the nations of *Israel* and *Judah*, "**in the latter days.**" God is not amused by the "quality of culture" that has grown out of them for the time that's been allotted, and the affluence provided, resulting from the promises made to our spiritual forefathers, Abraham, Isaac, and Jacob. Therefore, knowing some of these things, its imperative we do the best we can to better acquaint ourselves with what God expects of us in these "latter days." (*Write, for our free taped lecture series on the Biblical Origins of the British Commonwealth and United States of America.*)

You see, so many people today do what they think or feel is right for them. We here in the west, specifically in North America and Britain, have become a very secular, humanistic, and hedonistic society. Very few today, in our western culture, investigate what the God of our Bible might expect of them. As a matter of fact, the majority of people today attempt to find a theology, philosophy, or just general concept of god, if at all, that suits them; that is compatible with their life style. Far be it for most of us that we would entertain following a life style directing us to conduct our lives in accordance with God's Word, the Bible. Most people today don't want to be involved in what they would consider interference with their lives. The fact of the matter is today, we have many who are attempting to **squeeze God out** of everything, and anything, that has the name of God associated with it. Simple things like "in God we trust," that's on the dollar, or "one

nation, under God,” that has been apart of the pledge of allegiance for decades.

Yes, unfortunately, our nation is beginning to show the lack of our Judeo-Christian influence and apparent abandonment of the **God of Israel** and *Judah*. For instance, it wasn't long ago that Fatherhood and Motherhood were viewed as something to aspire to along with a monogamous, life long lasting marriage. Today those days are fast disappearing. Marriage is being redefined to include the legitimizing of Homosexual unions. “Shacking up” is no longer viewed with disdain. If you become unwontedly pregnant you can legally “execute” your unborn child by getting an abortion performed!! Fornication is no longer perceived negatively among the unmarried. As a matter of fact, among many singles, if sex is not part of the relationship, it is a rarity. And the divorce rate today runs rampant within the heterosexual community.

Pornography, prostitution, corruption in business, politics, pundits, and entertainment, private interest groups lobbying for their particular agenda's, along with many well intentioned, but usually very “self-willed,” or “party” promoting, national and/or international diplomatic policies, all contribute to the disgust and repugnance of many on the national, as well as international level. And we wonder why other nations have this anti-American attitude??

CULTURAL WAR STRATEGIES

Alexander Solzhenitzyn, Noble Prize winner in literature and anti-communist had said, “to destroy a people, you must first sever their roots.” The heritage of any nation is an instrumental part of its culture and today much of that heritage, in the United States, is **under attack**. Using the guise of “*political correctness*,” and the methods of “*incrementalism*,” many of the historical events and political forefathers of the United States are being demonized. The criticism and ridicule of these “God Blessed” personalities, conditions, and circumstances, have served to demoralize and embarrass the national, and international profile of this nation that has been built on the promises of God as part of their spiritual heritage; but unfortunately this has been forgotten by many today.

So many have forgotten that this nation was a God ordained **prophetic event** for the purpose of advancing the ***Scepter promise*** of humanity, which is *Jesus Christ*. And God has preserved and cared for this nation, the United States, and others under the commonwealth banner, including the establishment of the current nation state of Judah (Israel), in order to accomplish His Salvation mission. However, it's becoming quite clear that we, once a Judeo-Christian based culture, are abandoning our God ordained role and becoming increasingly vulnerable to succumbing to a pleasure-loving, epicurean type of society.

In the book of Isaiah, chapter 1:3, God says through Isaiah that the ox, and ass knows it's master, but Israel doesn't consider. “Ah sinful nation, a people heavy with iniquity, a seed of evil doers, children that are corrupters: they have forsaken the Lord, they have provoked the Holy One of Israel unto anger, they are separated and gone backward.” (:4)

The prophet continues his indictment in Jer.30:12-15 concerning the conditions of that ancient 10 tribed coalition of Israel which today's USA, and many of the commonwealth culture's of the former British Empire appear to be following presently. "For thus says the Lord, Your bruise is incurable, and your wound is grievous. (Jeremiah is referencing social conditions) There is none to plead your cause, that you should be bound up: thou have no healing medicines." (These social ills are irreversible). "All thy lovers have forgotten you; (international alliances) they seek you not; for I have wounded thee with the wound of an enemy, with the chastisement of a cruel one, for the multitude of your iniquities; because your sins were increased. Why criest you for your affliction? Your sorrow is incurable for the multitude of your iniquity: because your sins were increased, I have done these things unto you." This is an unfortunate convicting commentary, when one takes into consideration God's position and the immutable consequence's He has obligated Himself to execute against these modern day Israelites, as a result of transgressions. It's quite daunting to say the least.

IMAGINE A WORLD WITHOUT THE UNITED STATES AND BRITAIN

Frankly, it's quite frightening when one takes the time to consider what this world would be like without the combined political and military might of the British and American culture's over the last 400 yeas or so. And though, all of us know that these geopolitical entities are not perfect by any stretch of the imagination, nor were their leaders anywhere near sainthood; the results are obvious, without their political influence, military machinery, and *unconditional* "God Blessed" success, history proves this world would be a "socialistic nightmare."

Just consider the alternatives of World War 1 and 2. Consider what this world would be like if the Soviet Union would have been able to achieve it's objectives. Again the results are obvious. We see no flood of people, at break neck speed, risking their lives to immigrate to the former Soviet Union. Quite the contrary, if they could they would **leave** at break neck speed.

Consider the empires of centuries long ago, like the Hapsburg's, Napoleon, Garibaldi, or Hirohito, and Hitler of the 18th, 19th, and early 20th centuries; would we have wanted these socialist tyrants to be ruling the world today as they so desperately intended to do? No, I think it's fair to say the world is far better off today with the geopolitical influences and dominions of the British and the United States.

However, unfortunately it appears that modern day trends indicate that the days of these once great super powers are, indeed, numbered. And though there may be some that would applaud the demise of the United States and the setting of the sun on the British Empire, it only goes to prove how "ignorant" they are of what will replace it. Because what is around the corner, waiting on the threshold of tomorrow's horizon, is a tyrannical socialist empire of future political and military power that will emerge onto the geopolitical scene, *profiled* by your *Bible* as a **Beast combine** of Babylonian, Persian, Greco-Macedonian, and Romanish hedonism. According to Daniel 7:23 we are told,

“...The fourth beast shall be the fourth kingdom upon earth, which *shall be different* from all the kingdoms, and shall devour the “**whole earth**” and shall tread it down, and break it in pieces.” The Apostle John describes it as a combination of all the above mentioned empires by portraying it in Rev.13:1-3 as an amalgamated combination of these beasts which has been restored (healed from it’s non-empirical injury) to the wonderment and chagrin of the whole world; taking it’s prophetic Global position on into historical perdition and infamy.

This is a very horrible time for planet earth and is sure to result, “after” God corrects and punishes the cultures of the modern day Israelites of North America, Britain, and a few other Commonwealth countries. Additionally, the modern day nation of Judah, known today by the secular world as Israel, will also, shortly thereafter be betrayed, invaded, and occupied to the astonishment of its inhabitants. The brotherly alliances of the United States and Britain which have provided protection for so many years will be eliminated and neutralized by this global Beast, allowing for this unfortunate invasion to occur once again upon the Jewish people.

In the Book of Daniel 11:41 it is explicit,” He (The beast power, alias the King of the North) shall *enter* also into the *glorious land* and many shall be overthrown: but these (*currently Muslim countries*) **shall escape** out of his hand, Edom and Moab, and the chief of the children of Ammon. (Believed to be the modern day area of Jordan) However, keep in mind this would not happen as long as the United States continues to retain the geopolitical power it presently has. Yet we are told, “ **this will happen,**” which obviously means the United States and Britain will be *unable to protect Judah* from this attack. ***That is a sobering reality!***

THE CULTURAL WAR CONTRIBUTES

The point is, that for those who criticize, debate, and endeavor to change the very standards of laws and Christian based values, and additionally attempt to “gainsay” rhetorically the foreign policies of the United States, or Britain;” **beware**” the day is coming when God will execute His judgment on these cultures for failing to set the “proper” beacon of Godly values, freedom, and liberty as defined by His Laws. Consequently, those of the *anti-American persuasion* will have what they seemly want: ***a world without*** the United States and Britain as we know it today.

But, keep in mind, the alternative will be quite grotesquely consequential. It will be like no other time in the history of Mankind. It will terminate the current global equilibrium and issue a “time of the Gentiles” as never before!! Jesus Christ described it in Luke 21:24, “And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.” Jesus further describes it in Mark 13:19-20, “For in those days shall be affliction, such as was not from the beginning of the creation which God created unto this time, neither shall be. And except that the Lord had shortened those days, no flesh should be saved: but for the elects sake, (those Christians who keep the commandments of God and Testimony of Jesus Christ, Rev. 12:17) whom he has chosen,

he has shortened the days.”

So, for those of us who may want to call the efforts against the war on terrorism silly, and just hypocritical western double standards, that were indecently hasty, and dubiously rationalized with defiant prosecution, are unfortunately ignorantly playing into the hands of the “ cultural war activists” that want to clear the way for a Global Socialistic Empire: a one world government. The unfortunate reality of this is *they will get what they want, but* not before God is ready to correct and punish His birthrighted cultures. When that happens the world will go through some of the most horribly violent, and reprehensible times in its history.

Until then, May the God of Abraham, Isaac, and Jacob, the Father of our Lord Jesus Christ, turn ***your*** hearts back to Him: and hopefully, for the meantime, He will continue to bless the United States of America and Save the Queen!!...”lest I (He) come and smite the earth with a curse.” Malachi 4:6
